In re Application of :  
Bisdikian, et al. :  
Application No. 09/933,625 : **ON PETITION**  
Filed: August 21, 2001 :  
Attorney Docket No. YOR920010520US1 :

This is a decision on the petition, filed August 6, 2010, under 37 CFR 1.183 to waive the requirements of 37 CFR 1.131 to the extent that it requires that all of the named inventors execute the declaration under 37 CFR 1.131.

The petition is granted to the extent infra.

Petitioners assert that, while all of the named inventors contributed to the conception of the claimed invention which is under rejection, only inventors Bisdikian and Naghshineh have agreed to execute the attached declaration under 37 CFR 1.131 in support of establishing conception of the claimed invention prior to June 14, 2001.

As noted in MPEP 715.04, an adequate showing may lead to acceptance of a declaration under 37 CFR 1.131 executed by less than all the named inventors of the claimed subject matter in question.<sup>1</sup> Under the facts presented, it is agreed that justice requires waiver of the rules to the extent that they require William F. Jerome to declare. However, the favorable decision herein does not relieve applicants from their burden to establish that the invention was completed before the date of the reference and that the claimed invention was the product of the joint inventors. See, In re Carlson, 79 F.2d. 900, 27 USPQ 400 (CCPA 1935).

This application is being referred to Technology Center AU 2444 for further examination on the merits.

Inquiries regarding this communication may be directed to the undersigned at (571) 272-3205. Inquiries concerning the examination or status of the application should be directed to the Technology Center.
